

## **Remarks**

The above Amendments and these Remarks are in reply to the Notice of Non-Compliant Amendment mailed September 6, 2007.

### **I. Examiner Statement Regarding Non-Compliant Amendment**

As set forth by the Examiner, "Claim 7 is amended to be dependent from claim 4, wherein it was previously dependent from claim 6. The amended claim is not presented in the claim listing indicating a status of "currently amended," and is not submitted with markings to indicate the changes that have been made relative to the immediate prior version of the claim."

### **II. Response**

Claim 7 was not intended to be amended in the Reply to Office Action filed on June 25, 2007. Accordingly, claim 7 should read, as was originally submitted:

7. (Original) The system according to claim 6, further comprising:  
a graphical representation of the source multimedia content of each of the one or more segments composing the multimedia content.

### **III. Conclusion**

In view of the above amendments and remarks, it is respectfully submitted that all of the claims now pending in the subject patent application should be allowable, and reconsideration thereof is respectfully requested. The Examiner is respectfully requested to telephone the undersigned if he can assist in any way in expediting issuance of a patent.

The Commissioner is authorized to charge any underpayment or credit any overpayment to Deposit Account No. 06-1325 for any matter in connection with this reply, including any fee for extension of time, which may be required.

Respectfully submitted,

Date: Sept. 18, 2007
